

Southern Eden

Tyler OGrady cant believe his eyes when the woman steps out of the willows. Her sudden appearance on a private lake and ethereal beauty make him question his belief in mermaids and his sanity. When he greets her on the beach, his vision proves to be real and just as mesmerizing up close. Theres no doubt the package is perfect, but its something in her eyes that calls to him. He knows that guys like him dont get girls like Eden, but Gradys never been afraid of hard work. Can he convince her to give up the glitz and glamour for country life? The lake cottage has always been Edens secret refuge when fashion and flashbulbs become too much. She is dismayed when she discovers the oft absent owners have sold the private lake just when she needs it most. The new owner is a study in contradictions. The hulking ex-jock that strolls down the beach isnt the arrogant ladies man she anticipates. Gradys humor and humility take her off guard and she finds herself intrigued with the gentle giant. When he invites her to stay, curiosity and a desire to hide from the spotlight make her agree, but it isnt long before its the man himself making her dream of never leaving.
