

## Gods Plan for Spiritual Battle: Victory over Sin, the World, and the Devil

Revised version of The Beatitudes I love a good fight. When unjustly attacked, I have learned to seek the guidance and leadership of the Holy Spirit and retaliate by Overcoming Evil with Good. There is a huge difference between a Peacemaker and a Pacifist! This Battle Plan for spiritual warfare, gleaned from the life and message of Jesus, especially the Sermon on the Mount and the Beatitudes, was on my heart even before I was kidnapped by terrorists and held hostage under extreme conditions in 1983. Since then, thousands of missionaries, pastors, and other Christians have been kidnapped, murdered, or forced to flee from their places of ministry in rural Colombia. Had these Christians known and understood this Battle Plan for spiritual battle, they could have been victorious instead of prematurely suffering defeat. Many who did choose to remain in the path of ever present danger have rallied around this message. A thriving underground church is multiplying in a huge area (about the size of North Korea) in the south and east of Columbia where Bibles, church buildings, formal ministry, and even house meetings have been prohibited for more than 25 years. Severe persecution in rural Colombia has actually served to bring real Christians together in deepening Christian relationships, identify the true church, and cleanse believers from corruption. This has been possible because of the remnant that has been chosen to fight the good fight of faith. About the Author Russell Stendal, a former hostage of Colombian rebels, is a lifelong missionary to that same group in the jungles of Colombia. He is an influential friend to military and government leaders in Colombia, Cuba, Mexico, Venezuela, and the United States. Russells ministry shares the gospel via twelve radio stations, hundreds of thousands of Bibles, books, and movies distributed through airplane parachute drops, and numerous speaking

engagements for groups of leaders, prisoners, and individuals. Russell goes wherever the Lord leads, whether its to speak with a president or to go deep into the jungle to help an individual in trouble. He has witnessed thousands commit their lives to Christ.
