

Silence in the Dark (Logan Point Book #4): A Novel

Bailey Adams is running for her life ... again. When Bailey Adams left Logan Point two years ago she thought she was getting away from her problems. Running into her ex-fiance Danny Maxwell was not part of the plan--neither was being chased through the city by the local drug cartel, the Calatrava. Now despite her best efforts, Danny is her only chance of escaping the people chasing her and getting back to Logan Point safely. Can Bailey find the strength to face what's coming? And in the midst of the chaos, can she keep herself from falling in love with her rescuer all over again? With lean, fast-paced prose that will keep you turning the pages, Patricia Bradley pens a superb story of suspense and second chances. Patricia Bradley is the award-winning author of *Shadows of the Past*, *A Promise to Protect*, and *Gone without a Trace*. Winner of a Daphne du Maurier Award and a Touched by Love Award, Bradley is a member of American Christian Fiction Writers and Romance Writers of America, and makes her home in Mississippi.
