

Catch That Santa

When widow, Sara Marks, hears her Grams has gone on the lam from Happy Acres Residence on Christmas Eve on Santas arm, no less -- she teams up with sexy stranger, Francisco de la Vega, to chase the couple down with one thing in mind. Keep her Grams from becoming Mrs. Claus. Of course, Franciscos grandfather is not really Santa Claus, but Grams did run off to Vegas to marry him and shes obviously not in her right mind. Sara leaves her seven-month-old baby, Lanie, with a friend and she and Cisco head west in the worst snowstorm in decades, chasing his grandfathers 57 Ford Fairlane over the river and through the woods. Will they catch Santa and his crazy Mrs. Claus before its too late? Or will love stop them in their tracks? (Novelette, approximately 17,000 words/50 pages)
