

Gray Back Broken Bear (Gray Back Bears Book 4)

Easton Novak is hiding something fearsome inside of him. An unconventional upbringing has turned his inner grizzly into a berserkerone who has all but destroyed his humanity. Being around people isnt easy. Not when he doesnt understand any of their reactions, or half of what theyre saying. And if he can convince his alpha hes half sane, he just might let Easton live. But when the raven from Eastons childhood shows up at his door again, he knows hes slowly sinking into a madness he cant come back from. Shes not real. She cant be. Raven shifter, Aviana King, is terrified of bears. Theyre her peoples natural enemy, but she hasnt been able to forget the bear cub she befriended all those years ago. Faced with a loveless courtship she doesnt want, she visits Easton just to see if the sparking feelings she felt for him when they were kids are still there. The only problem is, he thought she was just a friendly raven all those years ago, and now he doesnt recognize her human form at all. But as she searches for the courage to approach him and his terrifying Gray Back Crew, it becomes clear that the sweet silver bear cub from her childhood has grown into a powerful, dominant, barely-controlled monster grizzly. Now, the greatest threat to Avianas life is the man she loves. He isnt Easton Novak anymore. Hes Beaston. Content Warning: explicit love scenes, naughty language, and piles of sexy shifter secrets. Adult only bear shifter romance.
