

Recovering from the Loss of a Parent

However you choose to copethrough private, inner searching or sharing your feelings with othersthis book is a companion through the process of understanding and accepting your loss.Katherine Fair Donnelly has written the first book dedicated to the experience of adults who have lost a parent. Through intimate discussions with sons and daughters, she explores the many emotions that arise after a parent dies, and tells the inspiring stories of how ordinary people overcame their anguish.These personal insights can offer reassurance that youre not alone. And can help you to get through.
