

Ecstasy Claimed (The Guardians of the Realms Series Book 2)

Erotic Paranormal Romance Gregoire has spent centuries with his brother Guardians fighting for the safety and security of the Realms. Endless decades of battling mixed with bouts of mindless sex to sate his needs. Needs that haven't truly been fulfilled since she was born. The one destined to be his bonded mate. For the last twenty five years Gregoire has kept his distance giving her time to grow into a female who is capable of handling his intense dominance. Alyssa has done everything that was expected of her, until the day she finds out she has a mate who has left her unclaimed. Unheard of when mates are rare and coveted. Even worse is the fact that he is the most powerful of her race and a Guardian of the Realms. Furious at the rejection she decides she is now in charge of her life. No more will she allow others to rule her. Against the backdrop of evil forces that are conspiring to topple the Realms, can Gregoire find his wayward mate before she is taken by corrupt Immortals? Can Alyssa forgive him and learn to exert her own female power while surrendering to his savage passion? And will the two of them be able to forge a mate bond that cannot be severed... or will they be forever cursed with an Ecstasy Unclaimed? Warning Dirty talking, possessive alpha male; scenes of sexual exhibition; an instance of f/f; spankings and more
