

True Alpha (Half Moon Shifters Book 2)

With a baby on the way, Mandy and Jack are prepared for their pack of two to expand - or so they think, until Jack's only remaining relatives return unexpectedly from Alaska, bringing others with them. Suddenly, the alpha couple has a lot more to worry about than what color to paint the nursery. But inter-pack dramas, baby shower plans and even a wedding can't compare to the mayhem that ensues when a stranger from Mandy's past shows up at the cabin's doorstep, hiding a secret that could destroy the Half Moon Pack forever. Novel. (Approximately 80,000 words in length.) True Alpha is an erotic romance - contains explicit sexual content. True Alpha is Book 2 in the Half Moon Shifters Series. Book 1, Lonely Alpha, and Book 3, A Taste of Honey, are also available now.
