

Wild Card (Black Lace)

When Victoria Ashe lures an ex-lover to her London hotel room, their passion is reignited with startling intensity. She sets out to prove to Ray that intimacy can be just as exciting as the thrill of the chase, and Ray Torrington might actually agree if it weren't for King Bai Lon, a Hong Kong bombshell who doles herself out one delicate morsel at a time, always in public. And Penny, a champion poker player known as The Flame of London, also has her sights on the saucy jackpot. The scene is set for a high-stakes game of sexual exploration. When the wild card keeps changing its difficult for even the most accomplished player to know who's bluffing and who is telling the truth, but in this lusty tournament of champions, the winner takes all.
