

Hard Rock Stepbrothers Part 3

Ones a cop. Ones a rockstar. Both drive her crazy. Mickie doesn't need distractions. She's about to uncover a scandal that will make her a superstar reporter. But her stepfather has asked her to house sit for him this summer. How tough and double the trouble. And that means she'll be left alone with her twin stepbrothers, Hunter and Shane. While she cracks a case that could blow their city wide open, can she keep her hands off and make her unruly body behave? Not a chance. This story has an extreme heat level.
