[Menage Amour: Erotic Contemporary Menage a Trois Romance, M/F/M, bondage] Head Games is book 1 of the Buffalo Intimidators sports romance series. Cold As Ice is book 2 and Double Vision is book 3. Each can be read as a standalone. Leo Laporte and Scott Schaeffer are teammates on the ice and roommates off it who also share women. They've been coming into Kelly Chases bistro after games for months, and they know they want her. As the attraction grows, the men realize they want more than a one-night stand—they want forever. Kelly's not so sure. Yes, she wants both men, much to her own mortification. But a permanent menage relationship? That's taking giving her heart away to a whole new level, and a chance she's hesitant to take. Then Leo is injured and Scott's on the trading block, and she realizes this may be her only shot at true, everlasting love. There are so many questions swirling around inside Kelly's head. Can she believe in Leo and Scott's love? And will her business and her reputation survive once people find out she's with two men?
