

Quick and Furry Collection (BBW Paranormal Shapeshifter Boxed Set) (Books 1-4) (Lions in the City Book 5)

A collection of the first four bestselling Quick & Furry stories! Chasing Tail Werelioness Penelope Little has a growling lion pacing the library's shelves. Not just any lion, either. He's the most powerful feline in the country. And for some reason, he's got his sights set on curvy, slightly nerdy, and totally frumpy Penny Not-So-Little. Tailing Her Jennifer Palmer doesn't have time for a mate. Yes, she's a werelion whose beast is all about sexing up the hot beta, but she's in the middle of prosecuting a high profile criminal case. Scratching her mating itch and screaming Brett's name as she comes. That isn't anywhere on her list of to-dos. What she doesn't realize is her werelion mate's primary responsibility is ensuring her safety from the bad guy and making her scream his name. On Her Tail Werelioness Addy Wilson did the unthinkable—she kidnapped an alpha's cub. As she flees for her life and tries to disappear into the confusion of the city, she runs into her mate. Or rather, he hits her with his car. Zane is gorgeous, delicious, totally lickable and an Enforcer for the North American pride. Now she's torn between running to ensure the child's safety and staying to make a life with Zane. Heads or Tails Werelioness Hilary Stewart is making her escape and nothing is gonna stop her. Except maybe a locked door. No matter, she's resourceful, she'll figure out something. When nothing comes to mind, she's thrilled to find herself rescued. After being a Colletti captive for nearly her whole life, it's amazing to find herself breathing air that isn't tainted with violence and anger. Instead, it's filled with the scrumptious scent of her heavily muscled, gorgeous, and possessive as hell werelion mate. Oscar freed her and now he's gonna belong to her. As long as the Collettis don't kill her first. This is a collection of 4 previously published short stories. If you have already purchased them individually,
