

Healed (Forgiven) (Volume 3)

Emily Halliday and Andrew Bentley spent the last few years doing what every couple does. Meet, date, fall in love, and finally getting engaged. Life seemed pretty perfect. So what will they do when the unthinkable happens testing their relationship and everything they built together? The fighter that she is, Emily does everything in her power to save what they once shared, but will it be enough? Can Andrew overcome his fear to love Emily the way he always has? Can love heal everything?
