

## Heart Quest (Celta Series Book 5)

Tucked away in the Druida City of Celta, Trif Clover knows she has a HeartMate. She wants him so badly she's actually going door-to-door with her charmkey to find him. What she doesn't know is that he has already found her. Guardsman Ilex Winterberry knows that Trif is his HeartMate, but fears that being twice her age, with a short life ahead of him, he will only scare her away. He yearns to be close to her and she needs to be close to him. There's a killer on the loose, stalking those with unstable Flair psi power like Trifs. Facing his most difficult task yet, Ilex must reveal the truth of their destiny or else leave Trif in the grasp of a vicious murderer...
