

Heart To Heart: The Winchesters of Legend, TN (Volume 4)

When Jeremys aunt gives him a second chance, he must decide if he believes in the unbelievable and the pet psychic who teaches him about faith...and love. Jeremy Hamiltons company is cash-strapped and his personal life is a mess. Inheriting the bulk of Ms. Addie Bynums wealth is a godsend, but to get the money, Jeremy must move to the small town of Legend, Tennessee, a place that will remind readers of Cedar Cove and/or Virgin River. Ms. Addie has given Jeremy a second chance under certain conditions. Will he take that chance? Marty Fields is a pet psychic. Shes spent a lifetime explaining animal communication to skeptic citizens of her small town. Only Ms. Addie understands her gift. Keeping Ms. Addies six cats after the old ladys death is the least Marty can do. Yet, shes put her life on hold. Will the grandnephews arrival upset the rhythm of her comfortable existence?
