

## North of Heartbreak

Since her divorce, Willa Hayes has thrown herself into her work as a nurse practitioner in the remote town of Stony Creek, Alaska. She's regained her self-confidence and her heart is almost healed. Then her newfound peace is shaken by the arrival of sexy flyboy Liam Reynolds. Willa can't deny she's instantly, intensely attracted to him even if she's convinced he's yet another Mr. Wrong. Liam has his own reasons for fleeing to the isolation of the north, and a relationship is the last thing he wants. He wasn't counting on being drawn to the pretty nurse who accompanies patients on his flights to southern hospitals. Fortunately, the temptation and the desire to avoid anything serious is mutual. So the pair comes up with an arrangement: sensual, steamy, no-strings fun. But when things heat up on a cold Alaskan night, the rules of the game may change forever...48,000 words
