

## Heart Breaker

Love wasn't in the script... Break on Through, Book 2 Former man-eater Samantha Lockhart has been an actress long enough to be able to spot a smooth-talking player a mile away. Dark-haired, bourbon-eyed, a wicked smile... Kyle Masterson is one of the best. From his bad-boy motorcycle boots to his good-ole-boy Southern drawl, everything about Kyle screams sex appeal. But after a tragedy hits close to home, Sam tries to convince herself she's done with players on and off the stage. Kyle, a V-twin-riding divorce attorney, has witnessed enough horror stories of love gone wrong to know that while women are welcome in his bed, they're definitely not in his future. But once the petite, mercurial redhead catches his eye, he can't think of anything or anyone else. Sam's trust doesn't come easy, but the more time they spend together, the deeper they both fall. Yet just as they're breaking through each other's barriers, someone who doesn't like being upstaged makes a deadly play of his own. And if Sam refuses, she may not be able to breathe a word to anyone... ever. Warning: Contains a small-town thespian who isn't easily fooled and a lawyer with a weakness for V-twin engines and sassy redheads.
