

Kiss the Night Goodbye (Nikki & Michael)

THE PRICE OF LOVE Nikki James is just an ordinary, risk-taking, psychically inclined private eye until she hooks up with Michael Kelly. Now she is something more: one of the few, the chosen, the magic-wielding undercover operatives of the Damask Circle, an organization protecting humanity from a rising tide of evil. She wants nothing more than to pass the Circles strict entry exams so she can get on with the business of planning her wedding to Michael. But she quickly realizes that buying a wedding dress is the least of her worries. One hundred years ago, Michael Kelly hunted down and killed the sorcerer responsible for murdering his lover. Now the brother of that man is out for revenge, and he intends to destroy all that Michael holds dear in the process. When Michael is kidnapped, the trail leads Nikki to a dusty ghost town surrounded by a potent magical barrier, leaving her to battle a madman alone with only her wits, strength, and the one psychic gift she cannot fully control. And to make matters even worse, Michael no longer seems to remember who she is.
