

Hearts in the Crosshairs (Love Inspired Suspense)

She came for her inaugural address and found herself dodging bullets, instead. Newly elected Maine governor Jillian Goff doesn't know why someone wants to kill her. But she knows they came close. Too close. Enter Dave Hutchins. A member of the state's Executive Protection Unit, Dave's mission is to protect the governor and find the would-be assassin. Without getting emotionally involved. Yet the more time Dave spends with Jillian, the less he can imagine ever leaving her side. Not with her life and his heart caught in the crosshairs.
