

## Bear Desire (A BBW Paranormal Shifter Romance)

At thirty-one, curvy BBW, Alison Shae, knows what it feels like to be in love. Unfortunately for her, Austin Brooks, the only man she ever cared about, deserted her twelve years ago without any explanation, leaving her to conclude that her endless curves were to blame. After years of failed relationships, Alison's heart finally grows cold, and she vows never to love again. Little does she know, however, that the man who first broke her soul is about to come charging back into her life. Angry and confused by Austin's unwanted presence, and the revival of long buried feelings, Alison decides once and for all she's better off alone. But Austin simply won't let her go because when a bear chooses a mate, it's for life. Austin is persistent, and claims he has a secret to share with her. But will hearing him out be enough to heal her wounds? Or will the pain in her heart be too much to BEAR?
