

Her Keeper Episode Three (Detective & Desires)

The feud between Detective Rick Andrews and Prosecutor Sara Michaels is legendary and no one ever wants to stand in the line of fire when they go at it. Things are heating up between Sara and Rick. They have had quite an afternoon. Well punished, well fed, well sentenced, well pleased - and all well before dinner. Impressive. Sara wonders if she can submit to Rick, but is surprised at just how much she wants to please him. Sara has never forgiven Rick for humiliating me during my freshman week in college. Ever since I returned to my sleepy hometown of Lake Andrews, he insists on constantly watching over me. Maybe if he didn't frame his advice in do as I say commands, I might be inclined to listen now and then, but his dominant decrees make me go for the knee-jerk response every time. So why is just the thought of him such a turn on? Rick can't deny the chemistry between me and Sara. Her intelligence and her spirit intrigue me and, for some unfathomable reason, the need to protect her consumes much of my waking hours and a few of my dreams as well. But she's too high maintenance. Especially as she holds a long time grudge and knows just how to push my buttons. Things in our ongoing feuds about to reach combustion level. Sara's crossed the line and I'm determined to use the power her transgression grants me to lay down the law in a way she can't escape. WOW - Amazing!! I REALLY LOVED this book! I loved the story line, the characters, and the buildup. The connection between the characters and the tension between the two really creates a steamy, hot and amazing read!! Madison T. Edwards Top 100 Reviewer Sex was hot, spankings were hot and I love a cop story in this setting. Looking forward to more of Rick and Sara's story. USA Today Bestselling Author Natasha Knight I just have to give special mention to the arrest scene... there are no words. Charlotte R.

Ridley Her Keeper has mature content that features a hot cop (two actually), sexy frisking, spanking, cuffing, a crazy, hot proposition yet to come and two people who are stubbornly in love. HER KEEPER is available in episodes or as a complete book. True to a serial the episodes stop at an interesting moment (that's part of the fun), but the final episode has a HFN ending with no cliffhanger. Enjoy following Rick and Saras story as episodes or buy the book at a substantial saving!
