

Her Perfect Cowboy (Blue Falls, Texas Book 1)

Her Dream Man Does Not Wear A Stetson! Forget cowboys! Ever since she was a girl, India Pike has had an image of the perfect man: sophisticated, refined and with a preference for tailored suits. But after rodeo promoter Liam Parrish comes to town, she cant stop mooning over the gorgeous cowboy and single dad. Too bad Liams totally wrong for hereven if the towns matchmaker already has India saying I do. Liam fell hard for a froufrou woman once before and the best thing to come from the experience was his daughter. So hes not about to be matchmade with the same type of gal, one who likes frilly dresses instead of jeans and cowboy boots. But theres something about India that draws her to Liam. Both India and Liam admit that opposites may attract, but happy-ever-after is not so guaranteed!
