

Her Russian Brute: 50 Loving States, Idaho

Sola: Ivan Rustanov is a total jackhole. He has no conscience, and now hes forcing me to stay in his remote mountain home as his prisoner until Spring. Hes no holds barred, and dangerous--the kind of guy you just know has a body count in his back story. He wants me in his bed, but that will NEVER happen. I hate him. Or at least I should. Shouldnt I? Ivan: A few years ago, having a curvy prisoner in my home wouldnt have been a problem. A few years ago I wasnt broken, damaged beyond all repair. I thought I was dead inside... until she came along and awakened me in ways I never thought possible. But what happens when her past and mine collide? Can a monster like me ever become the man she deserves? Find out what happens in this last standalone novel in Theodora Taylors wildly popular Loving Russians series. Perfect for readers who like their Russian heroes scarred and in need of some heavy duty love redemption!
