

Scandalous Affair

With his looks, connections and power, Wren, a prestigious LA attorney, appears to have it all. But his entire future hinges on one impending decision. He is torn between two very demanding women. Chelsea, one of the hottest leading ladies in Hollywood, is his long-time girlfriend and mother of his two children. Her world-wide fame and prowess in the bedroom have kept Wren by her side for years, but her personality when the cameras aren't rolling is out of control. Rowena, his co-worker, friend and partner on the ballroom floor has beguiled him for far too long. She refuses him the one thing he wants most unless he leaves Chelsea for good. But her promise of love is contingent upon impossible demands from her powerful and notorious family. Each woman comes at a high cost that he'll have to live with for the rest of his life. The question is, whom will he choose?
