

Her Sisters Secret

Dangerous Secrets, Loving Lies Finally free of her abusive past, photographer Whitney Sheffield's job is her life, and she wants to keep it that way. But a desperate call from her long-lost sister begging Whitney to rescue her three-year-old daughter from her dangerous father changes everything. Finally tracking down Rhys Gannon, the child's father, Whitney is not surprised to find him partying with his entourage at a biker bar in northern Arizona. But her plan to photograph Gannon dealing drugs backfires when he sees her taking pictures. On the spot, she makes up a story because if he knew why she's really there, she may never see her niece. Rhys Gannon will do anything to protect SaraJane from her unstable mother. He's suspicious of anyone who doesn't live in the small town where he's caring for the child—even the sexy photographer who says she's there taking photographs for a national magazine. He's intrigued by more than her job, but he's not stupid. She's cut from the same cloth as his rich and pampered ex-wife... and off-limits in every possible way. But SaraJane really likes the woman. Damned if he doesn't, too. And when the sparks of attraction between Rhys and Whitney ignite, there's no turning back. Except Whitney's sister wasn't the only one with secrets. Whitney and Rhys have secrets of their own. And someone is going to get hurt. HER SISTERS SECRET is a riveting novel of familial relationships, sacrifice and redemption...and the many faces of love. ?
