

Herd Mistress (In Deceptions Shadow Book 2)

Magic. It turned Sorsha Stonemantles world on its head. Yet she cant hate magic for without it Shadowdancer, the Santhyrian ambassador, would never have come into her life. In the days following their first meeting, Sorsha knows Shadowdancer completes her soul. Theres only one problem. Any relationship beyond friendship is impossible. From the moment Shadowdancer encountered Sorsha, he knew she was a Herd Mistress a rare worker of magic, key to the Santhyrian nations survival. His first obligation is to protect her and bring her back to the safety of the herd, but when Sorsha is threatened by Lord Master Trensler and his priesthood, they soon discover Trensler serves a darker master, one willing to devour all magic until the world dies. And that evil wants Shadowdancer and Sorsha. When a second ambush set by Trensler cripples Sorshas magic and traps Shadowdancer in the form of a man, they barely escape with their lives. Unwilling to allow her lack of magic to rule her life, Sorsha sets out to teach Shadowdancer that being human isnt a curse. The proud Santhyrian stubbornly tries to push Sorsha away, but when they are endangered once again, they realize they must work together to find a way to heal themselves. If they fail, Trenslers master will devour first them and then everything else Sorsha and Shadowdancer ever loved.
