

A Wicked Desire: A New Adult Paranormal Romance (The Kael Family Trilogy Book 1)

An incubus is a demon driven by one pure carnal desire: lust. Designed to please, a man unlike any other... once an incubus sets his eyes on you, there's no going back... Maisie Rose knows suffering. After a brutal rape and an abusive boyfriend-turned-stalker, she has enough issues surrounding men and sex to fill the Grand Canyon. So becoming personal assistant to sex club owner Xander Kael was just about the last thing she was expecting to happen this summer. Maisie thought working in Club Allure might help her reclaim her sexuality, but never imagined anything like this... a deep desire is kindled, one she thought had been forever snuffed. She soon finds herself leading a double life. Wearing a disguise, sneaking into the club to experiment, Maisie is both terrified and thrilled at the thought of being discovered by one of the Kael brothers... and the possibility of them joining her. Xander and his twin Rian have their own dark secrets. Part incubus, part human, the two stunning men feed off sexual energy in order to survive. For their human partners, the mind-blowing experience may be the best of their lives, but it can come at a grave cost. Xander's feelings for Maisie go far beyond mere lust and although he's tempted, he knows he must resist. If they were ever to cross that line, he'd ruin more than their relationship... he'd be risking her life. Maisie and Xander must find a way to work in such a stimulating environment, despite their electric connection. When Club Allure comes under attack, will they be able to face the threat together or will the desire prove too great? Darkly erotic, A Wicked Desire is the first installment in the Kael Family Trilogy. These stories are about strength, regaining control, and admitting true desires. For adults 18+.
