

## Desert Thirst: A Passage to Passion Novel

DESERT THIRST A Passage to Passion Novel When the heat is this scorching, passion is never far behind. Although biologist Lou Thornton had prepared herself for the high temperatures of the Sahara Desert, the heat from her guide is about to melt her. Something feral burns beneath his powerful and controlled exterior. Master tracker Quinn Caldwell is a man of few words, but all his senses are on fire. Words are the last thing he needs to know that his feisty biologist is aroused. But as they track an endangered species, neither of them realizes they're being tracked as well. Isolated in the barren wilderness, they are to become prey to a very dangerous predator. Desert Thirst is a standalone, adventure romance in the Passage to Passion collection. If you like a strong alpha, a fiery heroine, and a huge dose of heated action along with steamy romance you're in the right place.
