

Hidden Peril: Book 2 - Warfields Landing (Warfields Landing)

Finally, Stevie sees the light and kicks her ex to the curb. She leaves town, meets a great guy, and is ready to start anew... When their first date goes horribly wrong, it must be just a crazy coincidence... Right? A good read for fans of Melinda Leigh and Kendra Elliot. This is a complete novel. In the series, books can be read out of order with only minor spoilers. Previously published as His Best Girls.
