

## Legend of the Highland Dragon (Highland Dragons)

A Barnes and Noble Best Romance of 2013 He Guards a Ferocious Secret In Victorian England, gossip is often as precious as gold. But the Highlanders are a more mysterious bunch. And if anyone found out that Stephen MacAlasdair really was, hed be hunted down, murdered, his clan wiped out. As hes called to London on business, hell have to be extra vigilant?especially between sunset and the appearance of the first evening star. Mina just wanted to find out more about the arrogant man who showed up in her employers office. Some might say it was part of her job. She never thought the stranger would turn into a dragon right in front of her. Or that hed then offer her an outrageous sum of money to serve as his personal secretary. Working together night and day to track a dangerous enemy, Mina comes to see a man in love is more powerful and determined than any dragon.
