

PERSONAL: A Stepbrother Sports Romance (With bonus novel, Tempt Me, Ravage Me)

He was the sh*t four years ago, and hes the sh*t now, but frankly darling, I dont give a d*mn. CAT I dont care how hot he looks or how badly I needed his brotherly rescuing when I was almost mauled by practically a dog in heat at the swankiest industry party Id ever been to. Oh I would not give in. I dont care about the thousands of fans who worship him. I dont care that hes rumored to be the number one NFL draft pic. My assumptions were right about him in High School. And hes an a**.

Leopards dont change their spots darlin. I worked too hard to get where I am to be broken again. RAMON I always get what I want and thats just how its always been. Its what makes a great leader and oh I can lead no matter how many blocks or c*cks try to thwart me. I broke records as only a Sophomore taking my High School team to state. And we won. In college, I won the Heisman Trophy and now Im up for the NFL draft. What does that tell you about me? I dont take no for answer. And I will work HARD to reach my goals. No.Matter.What. Im not arrogant, Im just determined. But even great champs make mistakes. And the mistake I made years ago, Im determined to make it up to her. For every ounce of pain I caused her, Id make it up between her legs. Oh yard after yard Id go for her. Until she begs me to stop. This I promise you.
