Curvy elementary school teacher Carry Ellis has lived beside sexy Dan Ward for two years, ever since she inherited a petite wartime house next to his fancy infill. They greet each other every morning and Carry dreams about him every night, wishing they could have more than a casual friendship. So after Carrys water main breaks and she must to vacate her house during the costly repairs, she is surprised when Dan insists she stay at his house while he is away on business. But when Dan returns early after they share unexpected and passionate phone sex, Carry quickly realizes her sex life is about to get a lot more interesting. Will he do all those naughty things he whispered through the phone? ~~~ This short, but hot and sexy, 10,000-word novella has explicit sexual content, graphic language and a happy for now ending. Each His BBW to Hold short novella can be read as a stand-alone story. ~~~ Excerpt: Dont tell me you are watching a skin flick without me? The heat of embarrassment coursed over her. She looked around the room. Do you have a camera in here? Her question was met with silence. Then he cleared his throat. I was joking his voice had dropped down an octave, but now I want to know. What are you watching? She swallowed. I ... Oh, nothing much. Her attempt at laughter fell flat. Tell me, he whispered. His words wove around her like a sensuous embrace, tempting her to confess. I just turned the TV on, I havent really ... His steady breathing filled the void in her words. Her heart kicked against her ribs. She gripped the phone tighter. Yes, there are a bunch of naked people on the TV. I didnt have a chance to turn the channel yet.

What are they doing? His soft voice mesmerized her. She pivoted to the screen again. Describe it to me, he said. She licked her lips. Words failed her. Do you like it? Do you like what you see? An

intimacy that she couldn't resist had fallen over their conversation. Yes. She answered before she censored herself. His quick intake of breath at her confession exhilarated her. Have you ever had phone sex, Carry?
