

His Innocent Lover (Slade Security Series) (Volume 3)

Slade Security is hot on the heels of a dangerous assailant, and its up to Trent Larson, ex-Navy SEAL and Slade team member, to infiltrate the organization where the mole is hiding. When he meets Chloe Baker, he knows hes found his perfect way in. Getting close to the naive receptionist with the dazzling green eyes and open smile is easy. But Trent wasnt counting on the curves hidden beneath Chloes baggy clothes, or his inexplicable need to protect her. Wyoming native Chloe Baker has always been too trustingfirst with her alcoholic father and then her ex-fiance. A fresh start in San Diego is what she needs to put the past behind her and earn some money for her fathers hospital bills. When Trent Larson, with his ocean-blue eyes and sun-streaked hair walks into her life, Chloe agrees to a date. Soon, though, she starts to wonder if theres something more to the sexy surfer than hes telling her. Trent knows hes blurring the boundaries of his assignment, but he cant stop himself from wanting to get closer to Chloe. But if she finds out shes being lied to, it could mean the end to everything.
