

## His to Love: A Fireside Novel

In the explosive debut of Stacey Lynns irresistible Fireside series, a pair of estranged lovers are reunited by dangerous loyalties and intoxicating desire. Tyson Blackwell never saw it coming when his Mafia princess girlfriend dumped him and disappeared at the age of eighteen. He never forgot her, either, even after what happened next: the killing of his father, a Detroit PD officer, at the hands of one of her fathers men. Tyson swore revenge, and now, ten years later, the kid who dreamed of a pro football career is a hard-nosed FBI agent, back in town to take down the Galecki crime family once and for all. But Tysons mission gets complicated fast because going undercover means seducing the only woman hes ever loved. Gabriella Blue Galecki has been in hiding for a decade. She finally comes home to spend time with her terminally ill mother, only to receive a blast from the past when she runs into Tyson. His brooding eyes and electrifying touch still send chills down her spine. But as heir to the family empire, Blue has been promised to another. Caught in a web of deception, she is tempted to pull the trigger on the boldest risk shes ever taken: trusting Tyson with her life, her body, and her heart.
