

His Trouble in Tallulah

When faking it takes on a whole new meaning... In the Line of Duty, Book 2 Tallulah Duncan is excited about her brothers upcoming wedding in Louisiana, but what shes not looking forward to is facing the man who will undoubtedly be waiting for her. Years ago she and an old boyfriend made a pact. The next time she comes home, if shes still single, theyll get engaged. Hes a nice guy, but Tallulah doesnt love him-or the idea of being an undertakers wife. And the smokin hot guy next to her on the plane is a loud-and-clear reminder that her biological clock is on the fritz. Security specialist Garrett Andersen is pretty sure the gorgeous woman next to him on the plane is about to have a panic attack. And when he tries to distract her, she does the most enchanting, adorable thing hes ever seen. She blushes. Since theyre headed to the same wedding, he finds himself agreeing to step into the role of adoring fiance. In real life, shes his comrades kid sister, so its hands off all the way. Except behind closed doors, her all-out campaign of sweet seduction is burning that strategy to ashes... Warning: This book contains some very hot, very steamy sex, with a smokin hot security specialist who knows just how to hit his mark-and make it explode. Did we mention it was hot?
