

Mated to the Alien King: A Sci-fi Alien Romance (Lords of Astria)

Aerospace engineer Missy Caine is far too busy with her research to bother with men. No one she's dated can keep up with her intelligence and drive anyway. She prefers to spend her time working on building a new trans-space drive. The last thing she expects is to be kidnapped by hugely tall and muscled Mal-Tunak. Mal is Prince of the Actabarans. He is a Lord of Astria, a sexy warrior guardian of the galaxy and defender of Earth. He claims kidnapping her was an accident and he meant all along to ask her to be his bride. The Dark Nebulans threaten the peace of the universe and Mal will do anything to win Missy, the chosen human woman of his heart. Even risk his own life. This is a fun and quick romantic short read.
