

Home Fires

New York Times Bestselling Author BARBARA DELINSKY HOME FIRES From Americas beloved storyteller, Barbara Delinsky, comes a classic novel about looking for love in all the right places and finding a place to call home. The young widowed heiress to a hotel empire, Deanna Hunt isn't one to mix business with pleasure. But when she first lays eyes on Mark Birmingham, she just can't help herself. In a moment of passion, she spends a wildly romantic night in this handsome stranger's arms in the very hotel that is her heart and her home. If that weren't awkward enough, it turns out that Mark is the architect for the Hunt Foundation's children's hospital, which makes Deanna his boss. If they hope to work together, Mark and Deanna will need to cool off before they ignite a scandal. But even if the sign on the hotel room door says Do Not Disturb, the home fires are still burning and hearts are ablaze. Previously published as Beyond Fantasy by Billie Douglass
