

Hooked #2 (The Hooked Romance Series - Book 2)

Molly has received the news: her precious dance studio in Wicker Park, Chicago, has been bought out. She has to close. Shuddering in deep sadness about her failed Chicago dance career, Molly finds herself swept up in an exciting love affair. Drew that mysterious man she met in the coffee shop takes her on great adventures. They dive into the air, wrapped together in a dangerous bungee jumping expedition. They rush through the Chicago streets in a brilliant white Porsche, discovering each others bodies and minds in ways they never thought possible. When Molly's happiness seems to come to a head in this growing, blossoming sexual relationship with handsome Drew, she discovers something secret about him that nearly ruins her. She begins to question everything: from her relationship with her best friend, Mel, to the way the world works. Can she stay in Chicago and propel her dance career forward? Or will she be doomed to retreat to her small town life and admit defeat?
