

Hot and Bothered (Hot In the Kitchen)

A Fire They Cant Put Out ...Although her baby boy keeps her plate full, Jules Kilroy is ready to take her love life off the back burner. Despite a bevy of eligible bachelors, its her best friend, Taddeo DeLuca, who is fueling her hormones with a generous serving of his mouth-watering Italian sexiness. But Jules learned her lesson once before when she went in for a kiss, only to have Tad reject her. Shes vowed never to blur the lines again ... After a lifetime of excuses and false starts, Tad has finally opened a wine bar, a deal made even sweeter when Jules joins his staff. Lovers come and go, and hes had his share, but friendships like theirs last forever. Still, ever since he tasted her luscious lips, he cant stop fantasizing about what could be. Then she joins an online dating site-and the thought of his Jules with another man makes Tads blood boil. Even if he gets burned, Tad cant stop himself from turning up the heat this time.
