The Book Enthusiast The Friends First series is unlike any other series I've read. Every book is just about perfect, with characters flawed enough to be convincing and easy to relate to. Yet somehow each new book is even better than the last... . Forget taking one book with me in that stranded-on-a-desert-island scenario. I just want to take Drewry's

imagination.FicCentral I really have grown to love this author and this series. She consistently delivers on plot, characterization, and swoony men to swoon over.
