

## How Much You Want To Bet?

In the small community of Whistle Lake Neil Sullivan has managed to stay under the radar. Her past as an artist is almost a dim memory as she becomes just one of the guys working for Whistle Lake Construction. The promise she made to her father to never paint again finally seems attainable, until she forced to deal with Gibland Winnfred the Third. Hes charming and rich and irresistible. She, of course, is put in charge of building his home. Day in and day out he begins to stir long and forgotten needs she cant seem to ignore. Theres more to the rich playboy than meets the eye. One thing remains the same, Gib gets what he wants. And Neil is what he wants. Only under the pain of torture would Neil admit she wants him back.
