

# Paradox (Unearthly Paradox) (Volume 1)

Never in a million years would I ever fall for the son of a drug lord. Or so I thought until I moved two doors down from Jett. Zara thought her life was over when she had to move just days before graduation. The situation went from bad to horrible, when she discovers just how cruel the kids at her new school can be. When Zara is set up by some bullies and almost raped, she somehow gets free, but she's haunted by the eyes of the one she believes rescued her. Later, bad boy Jett is only too willing to step in and help. In fact, Zara can't seem to get rid of him or his family, who all seem to have a strange obsession with her. Will letting down her guard be one of the biggest mistakes of her life, or is Zara destined to become a part of his life, an existence that no human could ever understand?
