

## How to Date a Werewolf: Romance can be a hairy business.

Romance can be a hairy business--especially when you're a werewolf. As the owner of Get a Mate Dating Service, Rylie is more than happy to step in and lend a hand to lonely lycanthropic hearts all over town. No matter how hopeless Rylie might be in finding her own soul mate, she has a knack for helping others find theirs. Convinced that she is stuck with a family curse, Rylie is positive she will never find her true love. But when drool-worthy Jack Chandler shows up at her door, Rylie wonders if maybe the curse is finally broken. But Rylie's life is about to become complicated courtesy of the after-dark crowd. When she begins receiving strange notes and harassment from a jilted client, events careen out of control. Jack knows she's more hassle than he can handle. What he doesn't know is whether she's seriously in trouble ... or simply delusional.
