

Crossing Abby Road

Hes got one day to win the heart of Americas sweetheart Todd Camford went from Marine sniper to owning a beachfront surf shop in Florida, and he couldnt be happier. Unfortunately, the programming from his training hasnt quite been eliminated. His ex called him an unfeeling cyborg, but hes a free-flying, unfettered hawk, damn it. Relationships are out of the question... And then she comes into his shop. Everyone knows who Abigail Kelly is mega rockstar, tabloid fixture. Still, nothing prepares Todd for Abbys smoky gray eyes or the swift breathlessness of their instant chemistry. Hed be an ass (or possibly insane) to think he can resist her. Just for today, maybe hell keep an eye on her to make sure she doesnt get mobbed. Because really, how much damage could one day with a super-hot, kick-ass celebrity really do?
