

Talking Dirty

I had no idea when I met Linken Elliot that he would be capable of doing this to me. I was perfectly unhappy, living my miserable existence before he came along. I was fine humping strange mens faces in dirty bar bathrooms. I was comfortable living like a hermit and drinking myself into oblivion. I. Was. Fine. Now I want things. I want him. Link and Rockys story continues in this third installment of the Dirty series. *This is part three in a five-part novella series. **Due to sexual situations and violence, this series is recommended for 18+.
