

## My Alphas: Part Three (Menage BBW Paranormal Werewolf Romance)

Hemmed in on three sides by dangerous packs and humans who want to kill them, Cass discovers that life in the Arctos pack is very far from safe. To add to her problems, the curse is approaching. Both Alphas will become mindless creatures intent on one thing only: claiming and mating with Cass. Shes barely knows them but they already want her pregnant! This is part three in a Werewolf BBW serial, approximately 60 pages each. It is not a standalone. This book is intended for readers 18+ who are comfortable with Alpha werewolves, menage romance and some explicit scenes.
