

## Hunters Duty (Hunters Moon) (Volume 2)

Maggie Thrasher is looking for a man, not to love but to kill. Duty to her pride and loyalty to her family demands it. Joshua Volk has betrayed pride, pack and clan. All he cares about is destroying the old ways and killing anyone, normal or shape-changer, who gets in his way. Jim Kincade is dedicated to two things: upholding the law and protecting the pride from discovery. When Jim is called to the scene of a possible murder, the last thing he expects is to discover the alleged killer is a tracker from another pride. Now hes faced with a woman who is most definitely more than she appears. Complicating matters even more, theres something about her that calls to him and his leopard is determined to claim her for his own. Joshua Volk is looking for revenge. Maggie killed one of his own. His vengeance will bring Maggies worst nightmares to life. Is the passion between Maggie and Jim enough to defeat Volks plans or will Maggies determination to fulfill her duty to her pride be the death of them both?
