

My Sweetheart: Book 3 in the Love and Dessert Trilogy

Jane Kendall loves her new life. She loves baking. She loves working with her sisters. And oh yeah, she loves Tate Matafeo most of all. Which would be great if he loved her back. Jane refuses to let heartbreak rule her life though, so she turns to Google and finds 10 easy steps on How To Fall Out Of Love. As helpful as Google is, Tate Matafeo is a hard habit to break especially when her new friend Meredith insists she come to a Rugby game and Tate happens to be on the team. Alex Foster is one man willing to take her mind off of Tate, but Jane knows trouble when she sees it and ends up getting a restraining order. Between Kits wedding, Tates mixed signals, Alexs obsession and her fathers rehab, Jane wonders if shell ever get her happy ending.
