

Catching the Bad Guy (Book Two) (Janet Maple Series) (Volume 2)

From New York Times & USA Today Bestselling Author! Catching the Bad Guy (Book Two of Janet Maple Romantic Suspense Series) Janet Maple and Dennis Walker make a good team: she is a top-notch white collar crime investigator, and so is he. Both Janet and Dennis are thrown in for a loop when Janet's treacherous snake of an ex-boyfriend, Alex Kingsley, is appointed as their new boss, and the case that was supposed to be the highlight of their careers is dismissed for lack of evidence. To make matters worse, Alex is asking Janet to get back together, and the one man she wishes would ask her out sees her as nothing more than a coworker. Janet's love life soon becomes the least of her worries, as she begins to suspect that Alex's rekindled interest in her is driven by ulterior motives. She is determined to get to the bottom of things, but she can't do it alone. Together, Janet and Dennis team up to solve a tangled white collar crime web that leads to powerful politicians and corporate executives. Armed with their keen instincts and skills, Janet and Dennis are bound to succeed. There is just one glitch: both are attracted to each other, and both refuse to admit it. Will Janet and Dennis solve the biggest case of their careers or will their attraction to each other get in the way? *Catching the Bad Guy is book two of the Janet Maple Series, but it can easily be read on its own.*
