

The Power Of Now: How To Be Happy, Productive And Successful Today

It is good to have an end to journey toward; but it is the journey that matters, in the end. ~ Ernest Hemingway You have the power to change your life, that power is within today. Tomorrow never comes and yesterday is already in the history books, so its time to live in the moment, live in today. What you choose to do with your time, energy and focus is going to shape your future. Nobody else cares as much as you do about your life, so start investing in it today. What You Will Learn How to tap into the power of your inner child Ways you can grow up & develop yourself What you can do about difficult people Making the most of your time Tools for happiness And more!
